FROM THE PRINCIPAL:

Kaya Everyone,

Wow, I can't believe we're already half way through the final term of 2023.

Thank you to parents and community members who came to watch our students present and perform at last week's assembly. I really enjoyed watching the Year 5/6 students perform their magic tricks, and hearing how confidently our Kindy students performed their Gingerbread item.

Don't forget that nominations for a parent member position on the school board close this Friday afternoon. The nomination form can be found attached to the Week 4 Community Update in Connect or please email us for a copy.

In Week 8, we will be hosting an event to celebrate the raising of the Aboriginal and Torres Strait Islander flags. This is part of our school's journey towards cultural responsiveness which is a key priority of both the Department of Education and Hyden PS. Following this event, John Della Barca from the Wheatbelt Education Region will be delivering a session for parents on the social and emotional wellbeing initiative, Circle of Courage. Specific times and locations will be provided next week. The Circle of Courage philosophy is being used by staff to review our positive behaviour support plan. More information about this review will be provided after this session and early next year.

At the next board meeting, we will be reviewing our school uniform policy by seeking approval to remove the requirement for girls to wear skirts or skorts over leggings. Support for this change was received at the last P&C meeting. The outcome will be advised to families via the Community Update in Week 9.

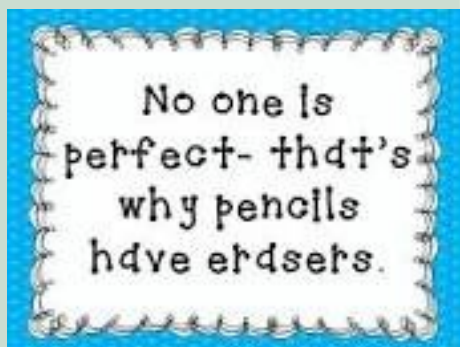

By early next week I will send out a letter via Connect confirming our class structures and teachers for 2024.

Finally, thank you to families who have been so prompt in replying to our automated text messages regarding student absences. This is helping us more effectively keep on top of unexplained absences.

Wishing you all the best for the coming weeks.

Dr Bree Wagner

QUOTE OF THE WEEK:

Term 4 Activities

NOVEMBER:

Emily Hinck - 15th

Holly Couper - 17th

Gibson Mouritz - 24th

Kippa Whitwell - 27th

Gustav De Jager - 29th

Room 4 Update

FOR HALLOWEEN MRS JAMES WILL BE

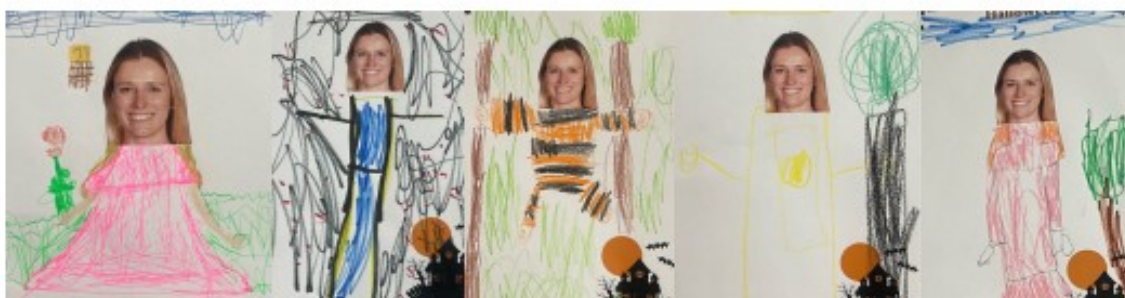

In Room 4, we were so excited for Halloween. We even decided to plan Mrs James' Halloween costume for her with some reasons why. We think she looks spooktacular!

- 1) Mrs James as a skeleton because it is scary ~ Luandre
- 2) Mrs James as a rabbit because my dog eats them ~ Reeve
- 3) Mrs James as a witch because she will look scary ~ Isla
- 4) Mrs James as a scary man because that's what I am going as ~ Curtis
- 5) Mrs James as a witch because it looks scary ~ Lucy
- 6) Mrs James as a werewolf because it is scary ~ Logan

- 7) Mrs James as a skeleton because of the part with the spiders ~ Emmett
- 8) Mrs James as a skeleton because I like skeletons ~ Jamain
- 9) Mrs James as a witch because she will look good ~ Ariya
- 10) Mrs James as Princess Peach because I am going as Mario and he likes Princess Peach ~ Kai
- 11) Mrs James as a skeleton because it is white and black ~ Jason
- 12) Mrs James as a tiger because I am dressing up as a tiger ~ Kippa
- 13) Mrs James as an alien because I like aliens ~ Justin
- 14) Mrs James as Princess Peach because she is from the Mario movies ~ Mana

Room 1 Update - Culture Tour and Sleepover

On Friday 27th October, Room 1 enjoyed a Culture Tour and sleepover. We departed school at 2pm for a Culture Tour of Wave Rock with Mr Ward. We all enjoyed this tour, even if our legs did get a bit tired. After returning to school, we had a play and dinner was prepared. We enjoyed delicious tacos. Later in the night we watched a movie and went to bed. On Saturday morning we were all up very early! Luckily, we were collected by our parents at 8:30 so we could rest for the remainder of the weekend. A massive thanks to Mrs Nicholl, Mrs Mortimer, Mr Ward and Mrs Ward for making our sleepover amazing!

STEM and Art with Mrs Mulcahy

Old MacDonald had.....

A Farm—where all the animals kept escaping. So he build some yards.

A Zoo—where he kept a range of interesting animals.

A Band—where he had fun making lots of noise.

Art

This term, projects have focused on experimenting with materials and techniques.

P/1 have created animal collage in the style of Eric Carle (author/illustrator of The Very Hungry Caterpillar).

Year 2-4 are experimenting with creating clay works.

Year 5/6 students are carefully turning their line drawings into lino stencils ready for printing.

P/1 STEM

We've been learning about hardware and software. We had great fun using tools to pull apart some different examples of hardware—wearing our safety glasses of course. There were pieces of keyboard flying all over the place!
